

# Shaping the future of Community Equipment Services

Guest speaker:

Brian Donnelly, Executive Director,  
Community Equipment Code of Practice

- ▶ Do you know how efficient and cost effective your Community Equipment Services are?
- ▶ How important are quality and safety to your organisation?
- ▶ Do your services comply with legal and regulatory obligations?

**Wednesday 21st November 10.00am – 1.00pm**

Sandy Park Conference Centre | Sandy Park Way | Exeter | EX6 7UE

Adding to Life  
**pluss**

## **This free event will:**

- ▶ Give you an understanding of the new Community Equipment Code of Practice\* to ensure you commission safe, compliant and efficient services
- ▶ Give you an understanding of risk reduction through effective procurement
- ▶ Give you the opportunity to discuss the challenges and future scope of Community Equipment Services with other professionals
- ▶ Help you make plans to develop your Equipment Services

## **This event is for shapers and influencers of Community Equipment Services including:**

- ▶ Strategic Directors
- ▶ Commissioners
- ▶ Clinical Leads
- ▶ Portfolio Holders / Service Managers

***You will receive a complimentary copy of the official CECOPS book (usual price £37.95 inc. P&P)***

***Buffet lunch included***

*"The HSE welcomes the code of practice developed by CECOPS. The code will help organisations who commission or provide community equipment, make health and safety improvements in their businesses."*

***Health and Safety Executive***

\*The new code sets out a quality framework for procurement and provision of services. It is the only recognised guidance available and has been officially endorsed by Care Quality Commission (CQC), the Health and Safety Executive (HSE), the Association of Directors of Adult Social Services (ADASS) and the National Association of Equipment Providers (NAEP) and Association for Directors of Adult Social Services (ADASS).
